Dated: 01.05.2023

To,

The Chief-Secretary / Principal Secretary of Higher & Technical Education /  
Directorate of Technical Education (DTE) of all the State Government / UTs

Sub: Compliance of deficiencies relating to faculty and infrastructure etc by Govt.  
Institutions

Madam / Sir,

**Greeting from All India Council for Technical Education!**

As you are aware that large number of Technical Institutions run by the state governments have been granted approval by AICTE on the basis of commitment / assurance from the concerned Govt. that deficiencies related to faculty, infrastructure and other areas shall be complied shortly. However, it is a matter of concern that year after year such deficiencies continue in Govt. Institutes and AICTE has been Granting approval to such Govt. Institutes having deficiencies on the basis of written commitment from your good offices.

To maintain high standards of Technical Education in the Country for which your office is also equally committed, shortage of faculty and other deficiencies needs to be complied and immediate action is required at your end.

In view of above, it has been decided by AICTE that approval for AY 2023-24 shall be granted to the Institutions based on the norms as prescribed in the Approval Process Handbook 2023-24. Therefore, it is requested that institution under your jurisdiction may be directed to ensure all norms as far as faculty and infrastructure is concerned so that approval be granted to them for the academic session 2023-24
